### APPLICATIONS

Rebate applications must be submitted on the Department of Environment and Energy (DEE) application form. Applications must be **complete**. Incomplete applications will not be considered for rebates.

### DEADLINES

Applications must be postmarked on or before February 1 using the above listed address.

Applications received after February 1 will not be considered until the next calendar year.

### APPLICATION DENIAL

Applications shall be rejected by the Department, as a result of, but not limited to, any of the following reasons:

1. Failure to submit a complete application by the stated deadline.
2. Falsification or misrepresentation of information.
3. Failure to comply with pertinent regulations.
4. Failure to provide annual and quarterly reports by specified deadlines.

### REVIEW PROCEDURE

Review of the applications is conducted by the Department of Administrative Services (DAS) for compliance with the pertinent rules and regulations. The applications will be reviewed to determine the probable effectiveness in assuring that a preference is given to products, materials, or supplies that are manufactured or produced from recycled material.

DAS will provide a report of its findings to the DEE within 30 days after receiving the review request. The DEE shall approve the applications or suggest modifications to the application within 60 days after receiving the application based on the DAS report, any analysis by DEE, and any other factors affecting compliance with Title 132 - Integrated Solid Waste Management Regulations, Chapter 12.
