

FISCAL IMPACT STATEMENT

Agency: Nebraska Department of Environment and Energy

Prepared by: Alan Aanerud 
Section Supervisor, Onsite / Environmental Safety

Date Prepared: September 27, 2021

Title: 124

Chapter: 1 through 25, Appendix A

Name: *Rules and Regulations for the Design, Operation and Maintenance of On-site Wastewater Treatment Systems*

State Status: EQC Hearing Draft

Type of Fiscal Impact:

	State Agency	Political subdivision	Regulated Public
Chapters 1 through 25, Appendix A, streamlining and consolidation, design moved to general permits.	No fiscal impact	No fiscal impact	No fiscal impact

Description of Impact:

State Agency: There is no fiscal impact related to the streamlining and consolidation proposed for Chapters 1 through 25 and Appendix A as these changes do not create new requirements or modify existing requirements.

Political Subdivision: There is no fiscal impact.

Regulated Public: There is no fiscal impact.
