Whereas said Principal is required, under the Integrated Solid Waste Management Act and Title 132 - Integrated Solid Waste Management Regulations (hereinafter Title 132) to have a permit in order to

own or operate as a waste tire hauler, to comply with its permit, and applicable laws, rules, and regulations, and

Whereas said Principal is required to provide financial assurance for removal, closure, and abatement of waste tires and/or waste tire materials, as a condition of the permit and applicable laws, rules and regulations;

Now, Therefore, the conditions of the obligation are such that if the Principal shall faithfully, fund an escrow account for the benefit of NDEE in the amount identified above, whenever the NDEE Director has determined that the Principal has failed to perform removal, closure, and abatement of waste tires and/or waste tire materials whenever required to do so, in accordance with the conditions of the permit, as such permit may be amended, and pursuant to all applicable laws, statutes, rules, and regulations, as such laws, statutes, rules, and regulations may be amended.

The liability of the Surety(ies) shall not be discharged by any payment or succession of payments hereunder, unless and until such payment or payments shall amount in the aggregate to the penal sum of the bond, but in no event shall the obligation of the Surety(ies) hereunder exceed the amount of said penal sum.

The Surety(ies) may cancel the bond by sending notification by certified mail, return receipt requested, to the Principal and the NDEE Director, provided, however, that cancellation shall not occur during the 120 days beginning on the date of receipt of the notice of cancellation by both the Principal and the NDEE Director, as evidenced by the return receipts.
