

Water/Wastewater Operator Questionnaire

****To be completed by water operator****

To better support Nebraska’s water and wastewater operators and their communities, we ask that you please complete the following questionnaire. We want to do all that we can to advocate and promote water and wastewater industry jobs as well as provide the proper support you need as an operator so you can protect Nebraska’s water supply and environment. Your participation will be helpful to ensure that we maintain a resilient drinking water and wastewater workforce in Nebraska. Thank you in advance for your response.
